Greetings Judge Ada Brown

Greetings to the Court. I would like to make a further request for my complete email history with the Defendant (Methodist). This would be my 2<sup>nd</sup> attempt before the court to secure these documents. This is my 4<sup>th</sup> request to the Defendant.

1. From the time of my impromptu Termination on April 10<sup>th</sup> 2020, I have made several attempts (while representing myself) to secure the emails from my previous employer to which I can show a long history of informing the company of several instances of having to endure workplace violence and my frustrations with Gender Discrimination, as I allege in my Case before the court regarding WRONGFUL TERMINATION, DUE TO RETALIATION AND GENDER DISCRIMINATION.

2. These emails are critical to my case regarding RETALIATION, GENDER BIAS with regards to consequences and ultimately WRONGFUL termination for manipulation of financial documents.

3. Please do not dismiss my case before justice is served.

4. The Defendant has yet to prove my termination as justified nor have they offered any evidence that it was lawfully executed.

5. The Defendant has willfully and intentionally withheld pertinent information (emails with my immediate supervisor in the chain of command) that completely exonerate me of wrong doing, as alleged.

6. Please grant me the request of securing my emails to further provide the proof necessary regarding my claims.

7. Please allow my case to move forward towards discovery/disclosure.

8. The Defendant has provided the Court with no evidence that I manipulated any financial documents over the course of the past year of docket submissions before the Court.

I look forward to hearing from you and pray that justice prevails.

Thank you for your patience with me in regards to my limited legal knowledge and experience with addressing the Court.

Respectfully submitted,
